Thank you for sharing the light for children and young people.

Dear Mrs Stanley Wainwright,

Thank you so much for your gift of **£124.13** raised at your Christingle celebration. It's thanks to the money raised by schools and colleges like yours that Christingles have helped over one million children in this country who are facing the darkest situations imaginable.

The funds **St Andrew's CE Primary School** have raised will be absolutely vital in showing even more children that they matter this year.

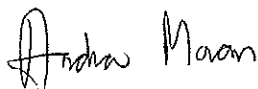

We know that organising a Christingle is a team effort and that there are many vital roles in bringing your community together to share the light of Christingle. We can't thank you enough for all the hard work you put in.

Last year more than 6,000 celebrations taking place up and down the country raised almost £1.3 million to light up the lives of children and young people between the ages of 10 and 18. Every penny raised at your Christingle makes a life changing difference for young people.

This year we will continue to work with schools, churches, communities, police, local government and other organisations to tackle the complex problems that young people face. Find out about the difference your support makes by visiting **childrenssociety.org.uk/impact**

Thank you once again for helping to make sure that children in this country can look forward to a brighter future.

Yours sincerely

Andrew Moran
