

Martella Worship Goes Live: Martin and Stella have launched their own YouTube channel – Martella Worship. To avoid any copyright complications, we will restrict the songs uploaded to those that are verified to be Public Domain or are our original compositions, for which we hold the copyright. To launch the channel, we uploaded the Christmas carols and a few hymns recorded during Covid lockdown by the WSSM Virtual Choir and by us. To find our channel, just search for “Martella Worship” on YouTube, then click on the logo and select “Videos” to see the full list.
