# Action Plan

Eco-Schools Topic: Waste

Aim: To reduce the amount of waste going to landfill

Action(s):

Use the compost bins in the Eco Garden

Lunchtime scraps put in the compost bin.

How long will it take?  
Start from October 2020  
(due to COVID – ongoing)

Who is responsible?  
Mrs Gresswell, Eco Committee, ECO leads and Mid-day supervisors.

How we will monitor progress:  
Compost being produced.  
Less rubbish going in the large silver bin.

Evaluation:

Eco-Schools Topic: Water

Aim: To reduce the amount of clean drinking water we use.

To make use of rain water.

Action(s):

- Speak to parents, Governors and FOSS about sourcing a water butt and watering cans.
- Install water butt safely on the bottom playground to collect water off of the shed.
- See if there is anywhere else we could have a water butt.

How long will it take?  
- 3 months

Who is responsible?  
- Eco committee and Yr6 leads.  
- Mrs Gresswell  
- Everyone

How we will monitor progress:  
- Water butts installed  
- Water being used to water plants  
- Meter readings  
Evaluation:

Eco-Schools Topic: Energy

Aim: To be more aware of what we are using.

To save energy

Action(s):

- Read the energy meter
- Find out the company that supplies our energy and compare them based on how much renewable energy they create and use.
- Find out how we could get renewable energy sources at school.
- Promote energy saving

How long will it take?  
4-6 months

Who is responsible?  
-Eco committee and Yr6 leads.  
- Everyone  
- Mrs Gresswell

How we will monitor progress:  
- Meter readings  
- Communication with the energy company.

Evaluation:
