

How to Dress Up as a Rock Star

This activity sheet will help you to dress up as a rock star! This will help you work towards getting your Blue Peter Music Badge.

To make your own rock star outfit, you may wish to think about these things:

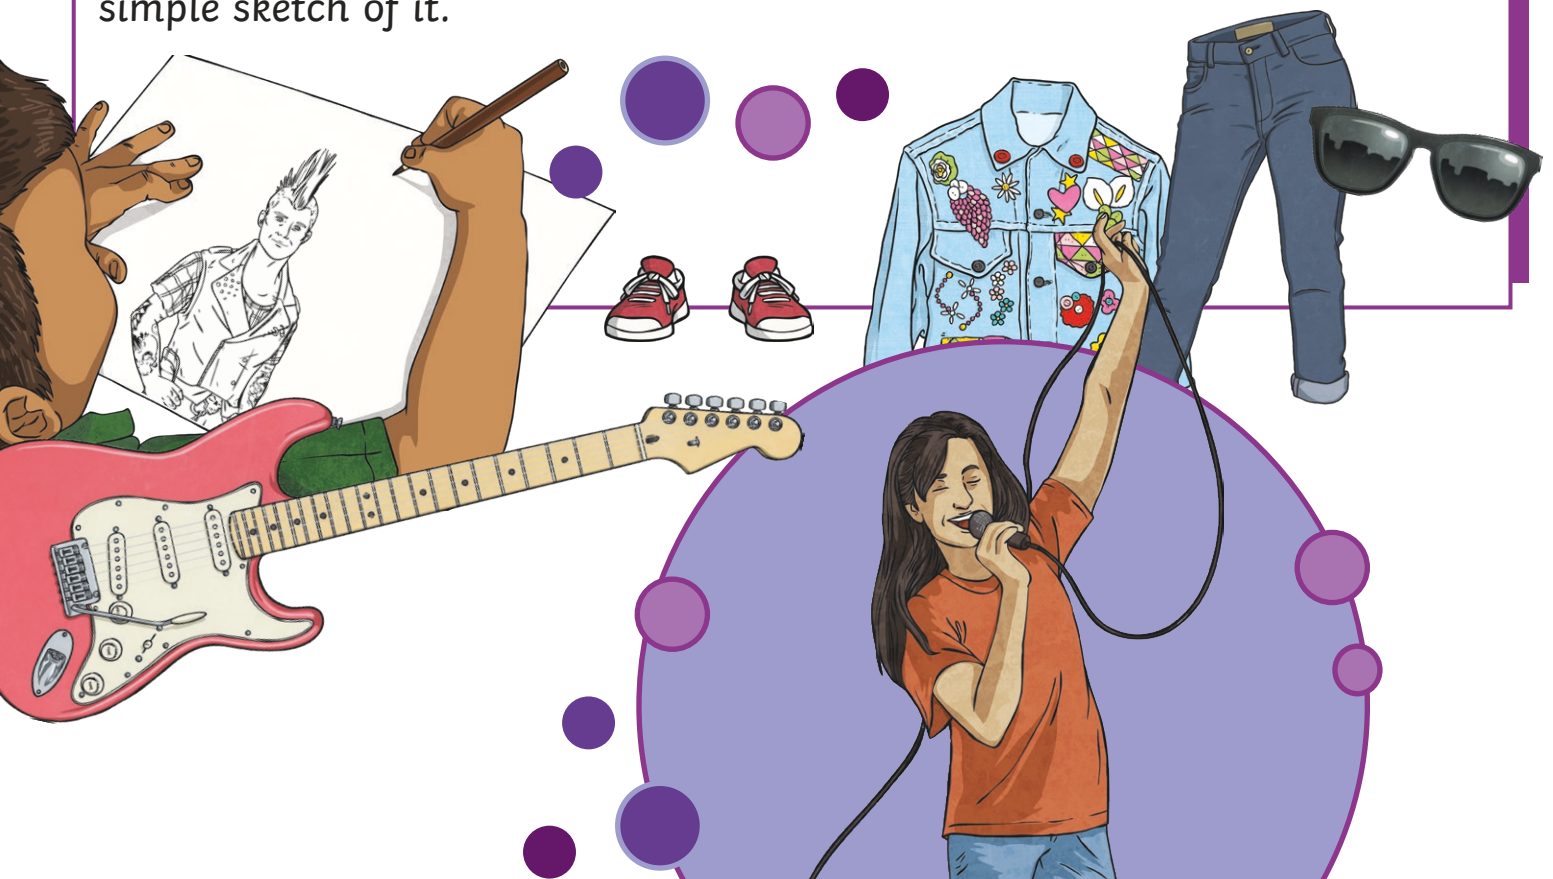

Find an Influence

You may already have an idea of what you'd like to look like as a rock star, but if you don't have any ideas, get some inspiration from magazines, the Internet or the television. Are there any music stars in your favourite CBBC shows?

Plan an Outfit

You may have a clear picture of your outfit in your head and what you need, but it might help to plan out your rock star outfit by drawing a simple sketch of it.

Reuse and Upcycle

Think about what you have at home and what you could change, with an adult's permission.

You could use:

- sequins
- tassels
- different pieces of fabric
- fabric pens
- fabric dye

Style Your Hair

Changing the style of your hair is a great way to make you look different. Think about styling your hair like your favourite star! You may want to put your hair up, spike it with gel, curl it, straighten it or style it in a new way.

Add Accessories

Often, a simple outfit such as jeans and a T-shirt can look totally different with accessories. Try adding some extra accessories such as:

- a leather jacket;
- jewellery, like bracelets and necklaces;
- a bandana or hat;
- face paints;
- sunglasses.

Your accessories can transform your image and make you look like a rock star!
