

Stanley's DT Challenge 2

Make some origami animals and send your photos to the Puffin email. Remember to put Stanley's Challenge in the subject box to make sure your pictures come to me.

Make me talk!

Try origami

I'm a bit trickier to make. Practise with other shapes first.

Watch me spiral round and round as I fly.

There are many origami web sites to choose from. The above animals were taken from origami-fun.com, Origami for Kids. Follow this link for more ideas and instructions...<https://www.origami-fun.com/origami-for-kids.html>
