

Here at Stanley St. Andrew's Primary School we are working towards the Arts Council Artsmark Award.

The technical bit...

Artsmark is designed to build confidence, character and resilience through creativity; support health and wellbeing through arts and culture; strengthen pupil voice and develop leadership skills.

The fun bit...

We are looking for 4 Artsmark Ambassadors from Kingfisher and Golden Eagle Class.

If you interested in the arts; not just craft, painting or sculpture, but music, dance, photography, drama, poetry and literature then this is for you.

There are many different ways you can show your interest in the arts and apply to become one of our Artsmark ambassadors.

The theme of the application is: New Beginnings.

Make your application by creating a PowerPoint about a famous painting or sculpture; record a video of yourself singing, dancing or playing a musical instrument; write a poem or book review; submit a portfolio of photographs, paint or draw a picture.

You might have your own ideas, but remember the theme- New Beginnings.

You have plenty of time; Send your application to

Mrs Adshead, Puffin Class or digitally to
madshhead@st-andrews-pri.derbyshire.sch.uk
