Are you feeling CREATIVE?

We are looking for Christmas card designs to make up into printed Christmas cards to send out to the Friends and Families of Stanley St. Andrew's Primary School.

My design combines a painting of a festive robin superimposed onto a photograph of a Christmas wreath. You might want to paint, draw, collage, use ICT; whatever you like...unleash your creativity.

The best designs will be chosen to make the official Stanley St. Andrew's Christmas cards.
