What was discussed?

- Sort pond
- Grow our own fruit and veg to then sell
- Apples in the Eco Garden / Can we eat them? / we need a new apple tree.
- Swap stall for unwanted toys.
- Hand towels instead of using paper towels- look at the hygiene side of this.
- Wellies as planters or maybe cups / mugs
- Think about our usage of heating and lighting used in each classroom.

We also discussed and went through some of the environmental reviews.

- Do all children including the younger children in school know the answers to some of the questions and how we address this.
- Children discussed completing the environmental reviews in groups.
- Talking to teachers for their response to some questions and then taking an average
- Asking teacher for evidence to support the reviews

Next steps:

- To complete the environmental review to aid with what as a school we need to think about as our next steps moving forward to being an Eco school.

When and where is the next meeting?

Thursday 26th March in Robin room.
