

Yr2 Spring term 1 Home learning:

Reading at least 4 times a week and spelling frame are required to be completed each week. These will be checked once a week and completion/incompletion recorded. Don't forget TTrackstars our first unit of Maths is multiplication and division therefore, practise on this will support work in class.

Our topic is Why would an elephant not make a good pet?

We will be comparing the UK and India (home and away) as part of our geography learning. Your tasks over the next 6 weeks. These tasks will be due in on the 12th February so we can celebrate all of the children's hard work in the classroom as a wonderful display. For each piece of home learning completed the children will get 5 dojos.

- Make India in a jar (see attached suggestion sheet for seaside in a jar). We will love to see each child's individual interpretation of the Indian landscape.
- Fact file on India (see template) Challenge: can you find out anything else?
- Create a picture of a native animal to the UK using mix media (leaves, sticks, paint, chalk, pastels, wax crayon etc...)
- Using your technology at home create a picture, save it and email across to Park's email address parks@st-andrews-pri.derbyshire.sch.uk so we can print and celebrate in class.
- Our PSHE topic is Money matters – Children to help their adults with the food shop fill in the shopping list (see template).
- Create a new diamond by placing the Islamic beliefs of God (Allah) in order of importance. Place the most important at the top.
