

# ***FOOTBALL STORIES***

You have just come home from school to find out that your favourite football player has moved in next door to you! Even better, you meet them and become friends. Can you write a short story about your new friend, making sure you include the following:

**How did you meet?**

**What is their name?**

**Which team do they play for?**

**Did you spend any time together?**

**What did you do?**

**Who did you do it with?**

**Was it just you, or also your friends or family?**

**How did you feel meeting them?**

**Did they inspire you to play football?**

**What advice did they give you?**
