Equality Information and Objectives Statement

At Stanley St Andrew's Church of England Primary School, we recognise the uniqueness of each person, young and old, all people are special and of worth in God's eyes.

Opening statement

We welcome our duties under the Equality Act 2010. The school's general duties with regard to equality are:

- Eliminating discrimination.
- Fostering good relationships.
- Advancing equality of opportunity.

We will not discriminate against, harass or victimise any staff member, pupil, prospective pupil, or other member of the school community because of their:

- Sex.
- Age.
- Race.
- Disability.
- Religion or belief.
- Sexual orientation.
- Gender reassignment.
- Pregnancy or maternity.
- Marriage and civil partnership.

We aim to promote pupils' spiritual, moral, social and cultural development, with special emphasis on promoting equality and diversity, and eradicating prejudicial incidents for pupils and staff. Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

Aims to eradicate discrimination

Our approach to equality is based on 7 key principles:

1. All learners are of equal value. Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender

identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.

2. We recognise, respect and value difference and understand that diversity is a strength. We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
3. We foster positive attitudes and relationships. We actively promote positive attitudes and mutual respect between groups and communities different from each other.
4. We foster a shared sense of cohesion and belonging. We want all members of our school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.
5. We observe good equality practices for our staff. We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development.
6. We have the highest expectations of all our children. We expect that all pupils can make good progress and achieve to their highest potential.
7. We work to raise standards for all pupils, but especially for the most vulnerable. We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating an inclusive environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful.
- Always treating all members of the school community fairly.
- Developing an understanding of diversity and inclusion and the benefits it can have.
- Adopting an inclusive attitude and ensuring that the whole school community understands what inclusive behaviour looks like in the school and how this aligns with the school's values.
- Adopting an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.
- Challenging bias in order to move the conversation forward.

We are committed to having a balanced, diverse and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes.
